

EXPLORE WITH PLACETALK

It's free to download the app, explore, and listen. Available for iPhone and Android

DOWNLOAD THE APP

Use your phone's camera to scan the QR code below. Or search for Placetalk on the App Store/Google Play Store

SIGN UP

- Open the app.
- Create an account. It's free.

PERMISSION SETTINGS

When prompted by the app:

- **Allow notifications** (Placetalk will alert you when you're near the location of a recording).
- **In your phone settings, go to Placetalk, go to 'Location', and select always allow.** This is so that the app can notify you when you are near a recording.

YOU'LL ONLY HEAR FROM USERS YOU CHOOSE TO 'FOLLOW'

- Search for the person or organization you want to discover audio recordings from. You can search list view or map view.
- **Tap the "follow" button for that person / organization**
- You're all set! Check out the map on the home screen to see where recordings are located. You can listen when you're at their location.
